

*Show your love by the end of the day on Thursday...include a park in your estate plans in 2016...save these dates in 2016.*

## **Washington's three largest national parks are YOUR national parks...show your love today.**

No better time than this week to show your love for Mount Rainier, North Cascades and Olympic National Parks. Please give. And to those who have given throughout the year? You're a driving force behind the record amounts going to our three parks...thank you so much!

## Including one of our national parks in your estate plans?

In 2016, WNPF will begin hosting gatherings with those who've included -- or are considering including -- Mount Rainier, North Cascades, and/or Olympic National Parks in their wills/estate planning. By directing your plans THROUGH Washington's National Park Fund, you can rest assured that we will track your intentions throughout the process and throughout your lifetime. We'll provide you with opportunities to visit with specialists, ask questions, meet park staff, and learn more about directing your gifts.

Have you already made provisions for the parks in your plans? Notify Laurie Ward, Executive Director, today so we can add you to the list of invitees. Interested in learning more? Let us know so we can invite you as well.

Most importantly, please know that we honor your information with all due respect and respectfully maintain confidentiality.

**Help us as we work to  
"keep our national parks youthful, vigorous,  
clean and strong."**
