# Part I, Line 2 - Procedures for Monitoring Use of Grants Funds in U.S.

It is the understanding of Washington's National Park Fund that all grants are used exclusively for the projects in each national park for which funding is provided. Projects to be funded with grant assistance are determined jointly by the Board of Directors of Washington's National Park Fund and the park superintendents. Progress reports are made by the park's superintendents to the Fund's Board of Directors throughout the year and final written reports with results are provided at the conclusion of each project. The entire relationship between each national park (Mount Rainier National Park, North Cascades National Park, Olympic National Park) and Washington's National Park Fund is outlined in a "Partnership Agreement" provided by the National Park Service, U.S. Department of the Interior.

### Form 990, Part I, Line 1 - Organization Mission or Significant Activities

WNPF annually requests a list of prioritized projects with associated costs from the three park superintendents; the projects fall within four categories: science and research, visitors' experiences, volunteerism and stewardship, and youth and families. Throughout the year we raise funds via a variety of means and deliver those funds to each park at the end of the fiscal year. If a donor wishes to support a specific project in the park, and the park is ready to receive funding for that project, we cut a check immediately and the park is able to start the project immediately.

## Form 990, Part III, Line 1 - Organization Mission

To raise financial support to deepen the public's love for, understanding of and experiences in Mt. Rainier, North Cascades & Olympic National Parks.
