Washington’s National Park Fund is the only philanthropic organization dedicated exclusively to supporting Mount Rainier, North Cascades and Olympic National Parks through charitable contributions, operating under a Partnership Agreement between each national park and the Fund. Our mission is to raise private support to deepen the public’s love for, understanding of, and experiences in Mount Rainier, North Cascades and Olympic National Park. Annually, the park superintendents submit a wish list of projects that, except for charitable contributions, could not otherwise happen. Over the past seven years, more than $2.5 million has been contributed to the Fund. 100% of donations to Washington's National Park Fund stay right here in Washington for the benefit of Mount Rainier, North Cascades and Olympic National Parks.
