

Pay It Forward

Washington's National Park Fund Legacy Challenge

Help us unlock \$100,000 in challenge funds for Washington's national parks.

Washington's national parks are vibrant places that have endured for generations. Your future gift demonstrates your belief in supporting national parks beyond your lifetime.

Now, when you share your commitment to Washington's national parks' future, you can give a gift with both immediate and long-term benefits.

By completing a gift intention form for Washington's national parks, we will allocate a gift up to \$5,000 for immediate use — and it will cost you nothing now.

We expect these challenge funds to be activated quickly, so now is the time to let us know you have included Washington's National Park Fund in your estate plans.

Include my future gift to help the parks today.
